Applicants: Suzuki et al.

Title: Transfer Guide for High-Speed Power Transmission

Serial No. 10/766,379

Filed: January 27, 2004

Assignee: Tsubakimoto Chain Co.

Docket 8213

PRELIMINARY AMENDMENT

A verified translation is submitted herewith as well as a certified copy of the priority document.

Now comes the applicant and respectfully requests that the substitute specification be entered. A clean version of the specification is submitted herewith as is a marked-up version of the substitute specification. A new title is indicated.

The substitute specification rearranged the verified translation of the specification such that it better complies with the requirements of the MPEP. Transitional paragraphs have been added. The reference letter "C" has been added to the drawing figures. A set of drawings illustrating the addition of the reference letter "C" circled in red are included herewith.

No new matter is contained in the substitute specification.

Respectfully submitted,  
Woodling, Krost and Rust
